Data sheet

Contour XI Mehrzweck

This pre-shaped, multi-purpose visor is a complete face shield with integrated chin protection. It is made of polycarbonate and provides protection from arc flashes caused by electrical short circuiting as well as complete protection from impacts. CONTOUR X can be easily and quickly attached to the VISIERCARRIER (BE-489) using the gear rack of any INCEPTOR GRX helmet without additional tools.

- Sculpted polycarbonate visor with high impact protection and arc flash protection
- Multi-sided, easy to install
- Compatible with all INCEPTOR GRX helmets
